UP Operative Crew’s resolution no. 1/2020. (III.12.)

The UP Operative Crew unanimously supports the restrictions in the Rector’s and Chancellor’s Joint Order no. 4/2020 on the employer measures under the extraordinary circumstances due to the coronavirus outbreak considering the state of emergency declared by the Government. The restrictions affect the following fields:
- abroad missions in case of the scope of persons shall be fully forbidden from March 13, 2020,
- provisions of the Government Decree 41/2020 (III.11.) pertaining to healthcare workers shall be included,
- legal consequences of the abroad travels in the public servant employees’ free time shall extend to any abroad travels instead of travels to „endangered areas”.

responsible: Chancellery - Directorate of Human Resources, Secretariat of the Rector’s Cabinet

deadline: March 13, 2020

UP Operative Crew’s statement no. 2/2020 (III.12.) on the interpretation of the prohibition visiting higher educational institution by students, based on the questions raised until today:

- the prohibition of visiting the institution shall extend to students of the undergraduate training having only student status
- in case the student has also employment status besides the student status at the University, the prohibition shall not extend to him/her considering the employment status,
- the prohibition shall extend to the rotational year students of the Medical School,
- doctorate students pursue their educational and research work similarly to the employees; therefore the prohibition shall not extend to them,
- Council meetings (eg.: Faculty Council, Educational Committee) that require students’ presence may be held only if the students’ participation in the consultation and decision-making can be provided with the help of info communicational devices, otherwise postponing the meetings and suspending the ongoing procedures are suggested.

UP Operative Crew’s statement no. 3/2020 (III.12.) on the activity of the students of the UP in the practical training:

The UP Operative Crew unanimously agrees that students pursuing professional practices in the practice institutions and other partner organizations of the University shall suspend their activity from March 13, 2020 until the termination of the state of emergency.
